Subject: Request for Snacks & Prizes for Independence Day Drawing Competition and Excel-in-Studies Awards

Dear Amit,

At WillToWin Foundation, our mission is to empower under-resourced children through education and creative expression, helping them become self-sufficient members of society.

To celebrate India's Independence Day on 15 August, we're organizing a drawing competition for over 60 young participants, alongside the "Excel in Studies" awards to recognize outstanding academic performance.

We seek your kind support in providing packaged snacks for distribution and motivational prizes—such as art kits, stationery bundles, or inspirational books or educational games—for the contest winners and top scholars.

Your contributions ensure every child feels valued and energized, while prizes boost their enthusiasm for learning and creativity.

We estimate the need for approximately 80 snack packs and 15-20 prize sets. Approximate cost is Rs 8000 -9000/- Rs.

Thank you for considering this opportunity to inspire and uplift across creativity and academics.

Warm regards,

Best Regards,
Jolly Tuli
