Dear Sir,

Empowerment of disadvantaged children and to bring them into the fold of mainstream society is one of our prime focus area. Landmark days in the calendar are celebrated with especially designed events to encourage them to participate and showcase their talents in performing arts.

This year poet Rabindranath Tagore's 163rd birthday will be celebrated on 10th May 2024 with songs, recitation, dance and drama. Like previous years, differently abled children, autistic and visually impaired students will perform and present the entire program in front of their parents, teachers and other respected guests. Total participants will be twenty-eight to thirty students.

The event involves quite a big amount of money including gifts, mementoes and refreshment packets for all participants and teachers, auditorium and sound system hiring, musician hiring, felicitation and other expenses. We request your kind assistance. Any amount of support will be of great help.

On behalf of TOREE, I express my sincere gratitude to you and your team for the continuous support and encouragement we get for doing social services in India.

With warm regards

Yours truly,

Madhabendra Mitra
