Dear Sir,

Sub: Purified drinking water distribution camp for devotees

We thank you once again for the continuous encouragement and financial support you extend for community services undertaken by us in India.

We are pleased to inform you that as in the past, this year also our organisation will celebrate the auspicious Bengali New Year Day (Pahela Boisakh) on 15th April 2026 in our own way.

Pujas and rituals are held at temples all over the state to celebrate the beginning of new year. We will organize purified drinking water distribution camp for all devotees at Kali Temple (Lake Kalibari) in Kolkata. As we are already into the hot summer days, we will start the camp early morning and serve drinking water till noon.

With your help, last year we served around thirteen hundred people and this year we expect the figure to go up.

Estimated expense is around INR 10,000/-. We hope you will support the cause and your support will be of great help to organise the camp.

We remain committed to our vision to work for the society.

With warm regards

Yours truly,

Madhabendra Mitra
