Dear Sir,

Sub : Purified drinking water distribution camp for devotees

We thank you once again for the continuous encouragement and financial support you extend for community services undertaken by us in India.

We are pleased to inform you that as in the past, this year also our organisation will celebrate the auspicious Bengali New Year Day (Pahela Boisakh) on 14th April 2024 in our own way.

Pujas and rituals are held all over the state at temples to celebrate the beginning of a new year. We will organize drinking water distribution camp for all devotees at Kali Temple (Lake Kalibari) in Kolkata. As we are already into the hot summer days, we will start early morning and serve purified drinking water till noon. We expect to serve more than thousand people.

We hope you will support the cause. Estimated expenses for the program is around INR 7,000/- to 8,000/- depending on number of devotees. Any amount of support from you will be of great help.

We remain committed to our vision to work for the society.

With warm regards

Yours truly,
